Education

Tufts University - Medford, MA

BS in Computer Science and Mathematics, May 2017

GPA: 3.89

Relevant Courses: Programming Languages, Machine Structure & Assembly Language Programming, Theory of Computing, Computer Vision, Data Structures, Algorithms, Android Development, Abstract Algebra, Linear Algebra, Real Analysis, Differential Equations, Discrete Mathematics, Probability, Data Mining

Experience

Redline Trading Solutions, Woburn, MA

Summer 2016

Software Development Intern, Software Quality Assurance group

- Modified and rewrote some of the existing Python automated testing framework
- Developed tests for the product (a ticker plant for high frequency trading)
- Developed automation tools such as an application to run unit tests

Tufts University, Computer Science Department

Fall 2015

Teacher's Assistant, Introductory Computer Science

- Taught students proper coding techniques and guided them on homework assignments
- Graded homework and exams

Tufts University, Electrical & Computer Engineering Department

Spring - Summer 2015

NSF REU Fellow

- Developed and refined a new data model and algorithm for subspace clustering of multi-way data
- Implemented and tested the algorithm in Matlab using real data
- **Publication:** *Multilinear Subspace Clustering*, presented at 2016 IEEE Statistical Signal Processing

Draper Laboratory, Cambridge, MA

Summer 2014

Undergraduate Research Intern, Electro-Optics and Instruments group

- Constructed a Michelson interferometer on an optical bench to test it for use in an inertial measurement unit containing an accelerometer and gyroscope
 - Wrote Matlab scripts to analyze interferometer data
-

Skills

Programming Languages: C, C++, Python, Matlab, HTML, CSS, JavaScript, Java, ML, Scheme

Operating Systems: Linux, Mac OS

Activities

Tufts Varsity Soccer, Captain 2016

- Honored as an All-NESCAC 1st Team member and NSCAA All-New England Team member in 2015
- Won Tufts' first ever NCAA Division III National Championship in 2014

Tufts Wind Ensemble, 1st Chair Trumpet

Level the Field, Volunteer

- Taught middle school children the importance of themes such as teamwork, sportsmanship, and selflessness
